ength	Ultra Version ————————————————————————————————————
width	1965
height	1850
Wheelbase	3300
Seating capacity	7-SEATER
Seat layout	2-2-3
CLTC comprehensive operating range	710KM
Chassis	
Front suspension type	Front double wishbone suspension
Rear suspension type	Rear H-arm multi link suspension
Magic Carpet Air Suspension Max	
Intelligent dual chamber air spring	
CDC Continuous Variable Damping Shock Absorber	
Automatic adjustment of vehicle height with speed	High speed reduction of 25mm
Convenient loading mode with adjustable trunk height	Raise or lower by 30 millimeters
Special road surface mode	Escape mode (body automatically raises by 40mm), slippery road surface, hill descent control
Variable speed electronic power steering	
Brake energy recovery system	Comfortable, standard, Strong
Front and rear ventilated disc brakes	
Electronic power assisted braking system	
Comfort and Luxury Features	
First row	
Nappa leather seats*	
Seat comfort sponge	
Comfortable soft pillow	2
Seat ventilation	
Seat heating	
Passenger leg rest heating	
Seat SPA level 16 o'clock massage (back 10 o'clock+seat cushion 6 o'clock)	
Electric seat adjustment	
Seat lumbar adjustment	
Co pilot boss button	

The second row	
Nappa leather seats*	
Seat comfort sponge	
Comfortable soft pillow	2
Seat ventilation	
Seat heating	
Seat dual armrest heating	
Leg support heating	
Seat SPA level 16 o'clock massage (back 10 o'clock+seat cushion 6 o'clock)	
Folding table board (right side)	
Extra long electric slide rail (adjustable up to 500mm)	
Electric seat adjustment	
The third row	
Three full-size comfortable seats	
Nappa leather seats*	
Seat comfort sponge	
Comfortable soft pillow	3
Seat heating (three seats)	
Magic folding of three row seats	
Electric adjustment of seat backrest (maximum adjustment	
angle of 36°)	
Cabin Comfort Configuration	
Platinum audio system	
Intelligent dual use refrigerator (with electric opening)	
Heat pump air conditioning Three temperature zone automatic fresh air conditioning system (with carbon dioxide monitoring)	
Antibacterial, anti mold, and anti mite CN95 air conditioning filter element	
Negative ion generator	
PM2.5 monitoring	
AOS Automatic Air Quality Control	
Rear independent air conditioning vents (second and third rows)	
Steering wheel heating	
Four way electric adjustment of the steering wheel	
Car fragrance system (three fragrance types available)	
LED interior ambient light (256 colors)	
All car LED touch reading lights	

Sun visor makeup mirror (with LED lighting) One key lifting and lowering of all car windows (with antipinch function) Dual panoramic sunroof (with electric sunshade) Second row side window sunshade Third row side window sunshade (removable) Restling mode Restling mode Sking bed mode Cabin material White premium velvet ceiling Imitation suede upper dashboard Leather+premium velvet side panels OEKO-TEX Anti Allergy Standard Certification (All Vehicle Accessible Fashire Materials) Two row premium plush carpet Whole vehicle plush foot pads Nappa leather multifunctional steering wheel All car UV resistant glass Obuble layered silent glass (front windshield, first row) Double layered silent privary glass (second and third rows) Double layered silent privary glass (second and third rows) Double layer soundproof and heat-insulating glass for the canopy (front and rear dual canopies) In car charging Wireless charging of first row mobile phones 2 First row USB interface Type-C Wireless charging of second row mobile phones 2 First row USB interface Type-C 2 20V power supply inside the car 2 2.2Kw 12V power supply inside the car 2 2.2Kw 12V power supply inside the car 2 2.2Cov power supply inside the car 3 500 power supply inside the car 4 2.2Cov power supply inside the car 5 500 power supply inside the car 5 600 power supply inside the car 5 600 power supply inside the car 5 7 5 600 power supply inside the car 5 600 power	LED foot lights
